

Practice General Information

First practice is January 1st from 10am – 4pm.

Regular weekly practice is on Wednesdays from 4:00PM to 8:00PM.

Please go to the scoring tower prior to practice and pay your appropriate practice fee.

As in the past, all classes will practice on the same day. Large sleds and 120's will alternate times on the track.

WE NEED VOLUNTEERS to help on the track during practice. Please grab a flag and help out. Without volunteers on the track, practice can not occur.

Kevin Lind has volunteered to be track foreman on practice nights. Please see Kevin to see how you can help out.

Practice Fees:

Large Sleds (300cc +)	\$ 20.00
120 Sleds	\$ 10.00

If you are practicing on a 300cc (or larger) and a 120, the \$ 20.00 fee will apply.

Keep an eye on the website for the latest updates on practice.
