

Pit Parking

WTC has plenty of pit parking and can accommodate the largest of rigs.

Entrance to Pits:

Just south of the The Golf Farm is an access road. This will take you to the pit entrance.

Reserved Trailer Spots:

Reserved season trailer parking spots are available. Fee's range from \$ 250 to \$ 750 depending on the location. Permits must be displayed on the nose of the trailer. Trailers displaying a permit will have an assigned reserved spot. For additional information on permit parking see "Trailer Permits" in the FAQ / Information Section. If you are interested in purchasing a Reserved Trailer Spot please contact Deacon @ The Golf Farm 1-847-526-4000

Transient Trailer Parking

Plenty of parking exists for those that do not want to leave their trailer at The Golf Farm or for those that are just visiting WTC. Transient trailers can access the pits on Saturday AM and can be left overnight Saturday Night, but must be removed from the pits by Sunday Evening. Only trailers displaying a WTC Parking Permit are allowed Sunday Night thru Friday Night. For WPSA weekends, parking on Friday Evening will be permitted.

Please do not park in any RESERVED parking spots unless it is your own. An empty reserved spot doesn't mean it is available as many people that have purchased a reserved spot remove their trailer during the week.

Misc Info:

Although significant room exists for trailer / pit parking, please make sure that trailers and / or tow vehicles are not parked in a manner that limits access for emergency vehicles or to other trailers.

Disclaimer:

Trailers parked at The Golf Farm are done so at the owners own risk. Winter Thunder and The Golf Farm are not responsible for any potential damage or theft.
